

Customs recognizes that manufacturers and importers may need time to adjust to this change and that an abrupt change in the marking requirements could cause undue hardship. In Headquarters Ruling Letter 735526 dated April 28, 1994, Customs held that until February 8, 1995, merchandise produced in The Former Yugoslav Republic of Macedonia could be marked "Yugoslavia" as was previously required by a notice published at 57 FR 23455 (1992). However, since the general public was not given notice of this effective date, Customs will continue to accept products of The Former Yugoslav Republic of Macedonia with the marking "Yugoslavia," "Yugoslavia/Skopje," or "Yugoslavia/Macedonia" until 60 days from date of publication of this notice in the **Federal Register**. If the marking "Yugoslavia" is used, in order to avoid sanctions against products produced in Yugoslavia, importers should be prepared to demonstrate to the satisfaction of Customs that the country of origin of the product is The Former Yugoslav Republic of Macedonia and not Yugoslavia. All products of The Former Yugoslav Republic of Macedonia entered or withdrawn from warehouse for consumption on or after 60 days from the date this document is published in the **Federal Register** will

be required to be marked "The Former Yugoslav Republic of Macedonia" or with one of the abbreviations set forth above.

Dated: May 22, 1995.
